

James Paul Horvath, AIA, LEED Green Associate

VICE PRESIDENT

James P Horvath, AIA brings more than 15 years of experience in hospitality, retail and casino resort architecture and interiors. James is Vice President at Bergman, Walls & Associates and has been Senior Project Architect for numerous mixed use projects including hotel, dining, bar, entertainment, residential and retail venues and has established a reputation for excellence in client service. His training while with the Walt Disney Company first provided the insight to operational knowledge which he continues to apply within design, planning and programming of projects throughout the United States. Besides his commitment to work endeavors, he supports several Las Vegas Charities including The Gay and Lesbian Community Center of Southern Nevada (The Center).
