

Leonard A. Bergman, AIA, LEED AP BD+C

PRESIDENT / CEO

Leonard Bergman brings more than 26 years of hands-on experience as Senior Project Manager, Principal-in-Charge and now as President and CEO of Bergman, Walls & Associates. He has extensive experience in retail, dining, entertainment and large scale gaming venues with successfully completed hospitality projects throughout the United States and, in particular, in Indian Country. His background in architecture and the building trades bring a comprehensive approach to project delivery with expertise in managing fast-track, multifaceted projects. He has a well trained eye for design and detail in all aspects of construction. Leonard's experience has translated into a history of hospitality projects that combine innovative design with proven quality, while meeting both the client's budget and schedule. Since taking charge of day-to-day operations in 2011, Leonard has guided all aspects of the company, from business development to a complete restructuring of the business model to match the current economic climate.
